Sensors Applications Symposium provides a unique opportunity for researchers and developers to share progress in sensor technologies, methods, applications, standardization, and commercialization. General and Special Sessions offer forums where participants can exchange ideas and gain information on the sensor state of the art. A mix of plenary, poster, demonstration, plug-fests, and other networking activities ensure that your work will be seen.

Comprehensive review process of full-length submissions will be followed thus ensuring high quality of papers being accepted and presented at the symposium.

**CALL FOR PAPERS**

- **Assisted Living**
- **Energy and Smart Grid**
- **Environmental Monitoring**
- **Industrial Applications**
- **Medical and Biomedical Applications**
- **Non-destructive Evaluation**
- **Remote Sensing**

**Sensor Applications**

- **Sensing Solutions for the Internet of Things**
- **Sensors for Aerospace**
- **Sensors for Robotics and Automation**
- **Sensors for Smart Mobility**
- **Smart Agriculture**
- **Smart Buildings**
- **Smart Cities and Communities**

**Sensor Technologies and Methods**

- **MEMS and Nano-sensors**
- **Novel Sensing Technologies**
- **Flexible and Wearable Sensors**
- **Energy Harvesting for Autonomous Sensors**
- **Memristive Sensors**
- **Optical Sensors**
- **Big Data in Sensing Systems**
- **Sensor Data Visualisation**
- **Sensor Data Fusion**
- **Sensor Networks**
- **Wireless and Contactless Sensors**

**Sensor Standards**

- **ISO/IEC/IEEE Standards**

**ORGANIZERS**

**General Co-Chairs**
- Dr. Sebastian Bader
  Mid Sweden University, Sweden
- Prof. Mattias O’Nils
  Mid Sweden University, Sweden

**Technical Program Co-Chairs**
- Prof. Alessandro Depari
  University of Brescia, Italy
- Dr. Michele Magno
  ETH Zurich, Switzerland
- Prof. Bengt Oelmann
  Mid Sweden University, Sweden

**Special Sessions Chair**
- Dr. Elisabetta Farella
  Bruno Kessler Foundation, Italy

**IMPORTANT DATES**

- **February 14, 2022**
  Special Session Proposals
- **March 14, 2022**
  Initial Paper Deadline
- **May 2, 2022**
  First Author Notification
- **May 23, 2022**
  Revised Paper Deadline
- **June 6, 2022**
  Final Decision
- **June 13, 2022**
  Final Paper Submission / Early Registration
